Enchanted Lightbloom Pendant

Difficulty Level: Advanced

Techniques/Prerequisites: Peyote stitch, netting, sewing, hot gluing

Kits available in 4 colorways for \$68

Description:

This flower lights up! Learn how to bezel a foil-less Austrian crystal and create two types of peyote stitch petals to create a stunning beaded flower, then create a vessel behind it to house an LED light and its wiring and battery. Hot gluing is necessary to keep the light and wiring in place.

Inner Light Mandala

Difficulty Level: Intermediate

Techniques/Prerequisites: Peyote stitch, bead embroidery

Kits available in 3 colorways for \$45

Description:

This 2023 Heart of Texas project can be made as a pendant, a brooch or hairclip (or even a hairband/hatband ornament). Filled with light and color, this mandala-inspired design is easily stitched using bead embroidery techniques and peyote stitch on Bead by Number™ templates using high quality Czech beads, Japanese seed beads, and Austrian crystal.

Bead Everything Bauble

Available starting November 5th, 2024

Difficulty Level: Intermediate

Techniques/Prerequisites: Peyote stitch, netting

Kits available in 3 colorways for \$38

Description:

Learn how to bezel two different kinds of Austrian crystal stones and connect them together to form a three-dimensional, wearable, petite, sparkly pendant on an adjustable length cord. Peyote stitch beaded sliders allow the length of the neck-strap to go from super long to super short.

In Bloom Necklace

Difficulty Level: Intermediate

Techniques/Prerequisites: Peyote stitch, tubular peyote stitch, netting

Kits available in 4 colorways for \$42

Description:

Build a glorious beaded flower showcasing a transparent 25mm glass doublet adorned with a stunning teardrop chandelier pendant in its own bezel. This project celebrates peyote stitch and color with its flower motif and stunning seed beads!

Sunshine Blue Skies

Difficulty Level: Intermediate

Techniques/Prerequisites: Bead embroidery, peyote stitch

Kits available in 2 colorways for \$68

Description: This bead embroidery project can be made as a pendant, a brooch or hairclip (or even a hairband/hatband ornament). Filled with sunshine and blue skies, this ray-of-light-inspired design is stitched with Japanese cylinder beads and seed beads, Austrian crystals, Czech beads, and a large German glass focal.

Tipping the Scales Bracelet

Difficulty Level: Intermediate

Techniques/Prerequisites: Bead embroidery, peyote stitch

Kits available in 4 colorways for \$58

Description:

Build this bead embroidery bracelet swimming with scaly goodness using a combination of techniques and unique Czech glass, resin, and Austrian crystal components.

Plumeria Lariat

Difficulty Level: Intermediate

Techniques/Prerequisites: Peyote stitch, netting

Kits available in three colorways for \$52

Description:

Use peyote stitch to create the life-like ombre-colored petals of the Plumeria flowers in this lariat, inspired by the beautiful native flower and lush green vegetation of Hawaii.

Desert Rose Necklace & Earrings

Available starting October 1, 2024

Difficulty Level: Intermediate

Techniques/Prerequisites: Bead embroidery, peyote stitch

Kits available in 2 colorways for \$65

Description:

This rainbow-colored bead embroidery project features a handmade cabochon, Czech and Austrian beads, Japanese seed beads, and Terracast findings. A hand-dyed silk ribbon to use as a neckstrap is the perfect finishing touch to this quick project!

Rhapsody Necklace

Available starting December 2, 2024

Difficulty Level: Intermediate

Techniques/Prerequisites: Bead embroidery, peyote stitch, tubular herringbone stitch

Kits available in two colorways for \$150

Description:

This project is a combination of bead weaving and bead embroidery and features a myriad of special components including custom-coated German glass cabochons and drops, Austrian crystal and pearls, Czech glass beads, and seed beads.
